

MAY 22 - 25, 2017 | BOSTON, MA

CALL FOR PRESENTERS
& CONTENT CHECKLIST
DEADLINE: NOV 28

Thank you for your interest in submitting a session proposal for LiveWorx 2017.

The LiveWorx Call for Presenter is a global invitation to top executives, customers, developers, product managers, engineers, thought leaders, implementation consultants, partners and more looking to participate in the world's largest technology conference for smart, connected products.

WHY SHOULD I SUBMIT?

If your abstract is accepted, you attend the conference for FREE. Not to mention you get the opportunity to share your knowledge and showcase yourself and your company to potentially hundreds of peers.

Submission Guidelines

- All presenters are required to create an account
- Abstract descriptions are limited to 1000 characters
- Descriptions less than 200 characters will not be considered
- Each submission must include 3 key takeaways
- All submissions require the following contact information for each presenter:
 - Full Name
 - Biography
 - Address
 - Email Address
 - Phone Number
 - Job Title
 - Company

SESSION TYPES

Below is a summary of the different session types we are looking to offer at LiveWorx.

- **Breakout Session:** Theater style traditional lectures
- **Case Study:** A real-world report of an organization's implementation of a practice, product, system or service.
- **Certification:** A presentation giving attendees access to earn additional industry credentials to enhance their career development.
- **Customer Success Story:** A testimonial of your successful use of a product, system or service.
- **Ignite Talk:** 15-Minute Quick Tips or Demos on the Expo Hall Floor.
- **Meet the Expert Q&A:** Meet subject matter experts and ask them questions.
- **Panel Discussion:** A small group of people brought together to discuss and share their content knowledge on a specific topic.
- **Product Roadmap:** An update on the latest products and solutions being offered by your organization.
- **Working Group:** An expert led 6-person discussion group.
