# How to use Vuforia Chalk with Connect Codes

1. Download the Chalk App
>> Go to the Apple App Store or Google Play Store to download the Chalk app onto your mobile device or tablet. Or, scan the QR code provided.

IOS 13 or later
Android 8.0 or later

2. Join a Chalk Session
>> Open the Chalk app on your device, select **Join Session** and enter the 9-digit connect code you've received from <INSERT COMPANY OR NAME HERE>.

3. Map Your Environment
>> Point your camera at the object or environment that you want to draw over and follow the prompts on your screen.

Step slowly backward and forward to help Chalk learn your environment

4. Draw Annotations
>> Once Chalk has initialized your environment, use your finger to draw sticky annotations onto your screen along with the other session participants.
