WHAT IS A CREO LEARN SUBSCRIPTION?

Our Creo LEARN Online Subscription is best-in-class product training that allows you to take an unlimited number of classes virtually from any location. Each class is taught live by one of our world-class instructors and is offered in three-hour time slots. Our goal is to make it easy and convenient for you to learn by providing you with an engaging, interactive learning experience. We’ve engineered this offering to ensure you have the most flexibility possible; learning on your own time and schedule. Head to our Creo Training page to view our many course offerings.
WHAT DOES IT INCLUDE?

A Creo LEARN Online Subscription provides UNLIMITED ACCESS to all LEARN Basics and LEARN Sessions. Check out our comprehensive list of courses in our Creo Curriculum Guide.

Other Features Include:
- Dynamic Global Schedule
- Consistently Updated Courseware
- Easily Accessible Virtual Online Classroom
- Cloud-based Product Training Environments
- Hands-on Activities and Engaging In-class Discussions
- Extensive Catalog of Training Topics for more Experienced Users

30+ LEARN Sessions
9+ eLearning Titles
WHAT ARE THE ADVANTAGES?

- Explore all Creo functions and capabilities to the fullest
- Expert instructors work alongside you and your peers to answer your questions in real-time
- Consistently updated content keeps knowledge current
- Flexible course schedules allow students from across the globe to take virtual classes
- Stay competitive in your field by getting Creo Certified!
- Increase job satisfaction rates and boost your team’s productivity
- Onboard new users and upskill experienced ones with courses designed for all skill levels

“I really liked how [the instructor] quickly went through the exercises in order to show us how to do them, and then gave us plenty of time to perform the exercises ourselves and ask questions. Very knowledgeable and an excellent communicator.” - LEARN Online Student
THE FUTURE OF CREO LEARN

Providing users with premium training content is our #1 priority. We are consistently updating our offerings to make sure you have the most up-to-date, cutting edge industry knowledge. Here are some of the latest changes we’ve made to ensure your success:

- PTC University’s Newest Courses!
  - Creo: Multibody Design
  - Creo: Generative Topology Optimization
  - Creo: Real-Time Simulation Using Creo Simulation Live

- New Content: Strategy Around Creo Update
  - Comprehensive Enhancement analysis across version history

- 2021 Certification launch
  - We’re updating our Certifications in January for the new year

- Creo + Windchill Subscription Bundle & exclusive courses
  - This bundled subscription offers exclusive courses that are only available within this offer
