

All course abstracts are in a new location. Please search for this course in [Learning Connector](#).

Go to the class page which links to the course abstract.

The screenshot displays the PTC Learning Connector interface. At the top, there is a navigation bar with the PTC logo, 'Discover', 'Search', and 'Find a Class' options. On the right, it shows 'My Learning' and the user's name 'Laura Proctor'. Below the navigation bar, there is a blurred course title and a photo of a woman working at a laptop. A prominent yellow box highlights the 'VIEW CLASS ABSTRACT' button, which includes a right-pointing arrow. To the right of this button are three filter tags: '3 HOURS', 'HALF-DAY COURSE', and 'INCLUDED IN SUBSCRIPTION'. Below these filters are four dropdown menus: 'Select Date + Time', 'Select Delivery Language', 'Select Class Type', and 'Select Instructor'. A 'Clear All Filters' link is located at the bottom right of the filter section. The main content area is titled 'Upcoming Classes' and contains a blurred list of course entries.
