Why Should You Get a PTC University Certification?

Become a PTC University Power User!

Take the chance to level up your skills and become a PTC power user! All you need to do is pass a comprehensive exam covering courses that you will access through your LEARN Online Subscription.

Once you've passed, share your digital badge with your network as proof of your expertise! Earn an industry-recognized PTC University certification today to prove your power-user status and stay competitive in your field. To learn more, check out our Certification page!

Explore the Benefits of Certification

- Prove your expertise on the most current industry topics

- Become faster and more efficient in your role

- Gain clout and respect in your industry

- Make your resume shine in a crowded field

Earn an Officially Authorized Certification

Don't settle for a second-rate certification. Earn one from the company who created the software you use! PTC University is the only valid and recognized source for an official PTC product certification. Become a part of our elite community of certified PTC software users today.
