

How to Enroll in a Certification Exam

Step 1) Log in to Training Central.

Step 2) On the home page under Explore Product Training, click the product you wish to look at.

Step 3) Click the Get Certified button located on the catalog home page.

Step 4) Select the certification exam you wish to take.

Step 5) Click Enroll.

Step 6) Click the Go to course and Launch course button to begin the exam.

Note:

- A user must score 80% or higher to pass the exam.
- You have two attempts to pass the exam. If you own a Learn Online subscription and need further attempts, please reach out to TrainingCentral@ptc.com to reset.
- It is recommended to complete the exam in one sitting.
