

Submission Terms

If you choose to submit an idea or other information to PTC, then by making the submission, you agree that the following terms apply, regardless of any contrary statements accompanying your submission.

1. Acceptance of your submission imposes no obligations on PTC, and in particular:
 - a. PTC has no obligation to acknowledge or review your submission, or otherwise respond to you in any way regarding your submission
 - b. PTC has no obligation to keep your submission confidential, and may publish or otherwise publicly disclose your submission in any existing or later developed media
2. Your submission and its contents automatically become the property of PTC, without any compensation of any kind owed to you.
3. PTC may use or redistribute your submission and its contents for any purpose and in any way, including but not limited to using it in new PTC products or services, or to improve existing PTC products or services.
4. You are authorized to make the submission, and that your submission does not include the confidential information, proprietary know-how, trade secrets, or other intellectual property of any other person or party.
5. If your idea is patented, please also submit your patent information including the patent number.
6. The information you provide via the PTC Reality Lab submission process may be used to respond to your request and as further described in [PTC's privacy policy](#). Please be aware that this information (including the original and the subsequent reply) may be transferred to a server located in the U.S. for metrics and storage. If you do not consent to this use of your personal information, please do not use the PTC Reality Lab submission process
